Dear Pre-College Parents:

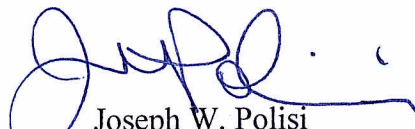

It is with great admiration and appreciation that I thank each of you for the recent gift of \$25,000 to the *Pre-College Parents Association Scholarship*.

Your devoted support of your children's music studies is matched by your tireless fundraising efforts. The countless Saturdays you are here, selling snacks and building a strong community feeling, have strengthened the Scholarship fund considerably.

Thank you for your generous commitment of time and energy which helps the Pre-College Division flourish and nurtures the artistic achievement of every Pre-College student.

With gratitude and best wishes,

Sincerely,

Joseph W. Polisi
President
